I am also seeking your permission for the school to publish photographs and/or samples of your child's work. If you give your permission, the school may publish photographs of your child and/or samples of work done by your child in a variety of ways. The publications could include, but are not limited to, school newsletters (online and in hard copy), Department of Education and Training Internet or intranet websites, school annual magazines and local newspapers. If published, third parties would be able to view the photographs and work.

If you sign the attached form it means that you agree to the following:

- 1. The school is able to publish photographs of your child and samples of your child's work as many times as it requires in the ways mentioned above.**
- 2. Your child's photograph may be reproduced either in colour or in black and white.**
- 3. The school will not use your child's photograph or samples of your child's work for any purpose other than for the education of students, or for the general promotion of public education and the school.**
- 4. Any photographs taken by the school will be kept for no longer than is necessary for the above-mentioned purposes and will be stored and disposed of securely. Whilst every effort will be made to protect the identity of your child, the Iqra Islamic school cannot guarantee that your child will not be able to be identified from the photograph or work. If you agree to permit the school to take photographs of your child, and to publish photographs of your child, or samples of your child's work, in the manner detailed above, please complete the consent form.**

With your signature your child will have permission to participate in these short walking trips.
