Permission Letter for Publication of Students' Work or Photographs on Websites & Walking Trip permission

Dear parent or caregiver I am writing to request your permission for photographs of your child to be taken during school activities. If photographs are taken, this would be for the purpose of educating students, promoting the school, or promoting public education. I am also seeking your permission for the school to publish photographs and/or samples of your child's work.

If you give your permission, the school may publish photographs of your child and/or samples of work done by your child in a variety of ways. The publications could include, but are not limited to, school newsletters (online and in hard copy), Department of Education and Training Internet or intranet websites, school annual magazines and local newspapers. If published, third parties would be able to view the photographs and work.

If you sign the attached form it means that you agree to the following:

- 1. The school is able to publish photographs of your child and samples of your child's work as many times as it requires in the ways mentioned above.**
- 2. Your child's photograph may be reproduced either in colour or in black and white.**
- 3. The school will not use your child's photographs or samples of your child's work for any purpose other than for the education of students, or for the general promotion of public education and the school.**
- 4. Any photographs taken by the school will be kept for no longer than is necessary for the above-mentioned purposes and will be stored and disposed of securely. Whilst every effort will be made to protect the identity of your child, the Iqra Islamic school cannot guarantee that your child will not be able to be identified from the photograph or work.**

If you agree to permit the school to take photographs of your child, and to publish photographs of your child, or samples of your child's work, in the manner detailed above, please complete the consent form.

Walking Trip permission

Throughout the school year there will be occasions when the children will be asked to participate in teachable moment's field trips within walking distance of the school. This may involve a walk to the library, Local Park, plaza, etc. Teachers must have permission from the principal/designate with time of departure and return with the route of the trip and destination outlined.

With your signature your child will have permission to participate in these short walking trips.

Consent Form for Publication of Students' Work or Photographs & Walking Trip permission

A - I agree, subject to the conditions set out above, to the taking of photographs of my child during school activities, to be used by the school in educating students and promoting the school and public education. I also agree to the publication of photographs or samples of work of my child.

B - I give my child permission to participate in walking trips during the school year.
